

Attention Pebble Shores Residents:

Over the past few months several pieces of furniture and other large items have been improperly left at the community's dumpsters. Please note that any large items or furniture placed in front or inside of the dumpster will prevent the collection of garbage from that dumpster. All large items and furniture require a special pickup for which there is a fee. The association has been incurring these fees but they are in fact the responsibility of the homeowner who is disposing of the large item.

In the future, please call the Waterways office at 239-348-3030 in order to schedule the pickup of these items so that we may prevent overflowing dumpsters and unnecessary costs to the association.

We thank you in advance for your cooperation in this matter.
