

PEBBLE SHORES CONDOMINIUM ASSOCIATION

APPLICATION FOR PARKING PERMIT

Pebble Shores is the private property of the Pebble Shores Condominium Association. As such, it has the authority to control the access of vehicles that park within or pass through its limits. To more effectively exercise that control, it requires that residents' vehicles display specially issued parking permits. Each unit may register only two approved vehicles. Parking permits must be attached to the rear of the vehicle immediately upon issue. Parking permits/stickers may not be transferred to other vehicles without a new application being completed. Replacement parking permits will be issued upon registering a newly purchased vehicle. Parking permits will not be issued to restricted vehicles, (e.g. pick-up trucks, motorcycles, etc.) under any circumstance. Please include a copy of the current car registration.

Applications must be completed and the entire form mailed, faxed, or emailed to:
